Patient Agreement Notice

Sparks Family Medicine, Ltd offers patient agreements for:

1. Patients with insurance coverage who want access to functional medicine.
2. Patients who do not have insurance coverage or who have insurance coverage that does not include Sparks Family Medicine as an in-network provider.

The patient agreement provides the patient agreement terms, benefits, payments patient responsibilities, changes and termination requirements. Patients who agree to execute a patient agreement form during their first visit should be aware that:

1. Payments for the patient agreement services are processed up to three days prior to the patient's initially scheduled appointment, are nonrefundable and require a credit card for recurring payments.
2. There may be additional costs for accessing patient agreement services, including but not limited to specialty laboratory testing, supplements and prescriptions.
3. Patients are responsible for accessing patient agreement services, providing payment for services when due, updating contact information and terminating the patient agreement prior to scheduled payments.

Patient agreements are available for review by prospective patients in the office during normal business hours. Due to the proprietary nature of the agreements, patient agreements are not provided to prospective patients outside of the office. Prospective patients are not allowed to keep blank patient agreements. Patients will receive a copy of the executed patient agreement during their first office visit.
